RE: Code Enforcement

Dear FM Zlomie,

I have received and reviewed the submission from your agency for adoption and enforcement of the 2021 International Fire Code (IFC). Central Valley Fire District is approved to enforce the State adopted 2021 IFC. The enforcement is within your boundaries of your fire district and this approval gives the Central Valley Fire District the same authority the Montana State Fire Marshal's office has in enforcing the adopted fire codes.

Sincerely,

A handwritten signature in black ink, appearing to read "Dirk M. Johnson".
